SITUATION SUMMARY

Cal OES Activation Status

| State Operations Center | Inland Region EOC | Coastal Region EOC | Southern Region EOC |
|-------------------------|-------------------|--------------------|---------------------|
| Normal Operations | Level 3 | Normal Operations | Normal Operations |

Cal OES INLAND REGION

2019 March Storms

An atmospheric river impacted California 03/05/19 through 03/07/19. The strongest portion of the atmospheric river has moved out of California. Diminished storm activity on 03/07/19 will lead to decreased impacts across the state.

Activations

- Inland Region Emergency Operations Center (EOC) is activated at Level 3 / Duty Officer status.
- Trinity County EOC is activated at Level 3 (Lowest)
 - A Shift: 0800 – 1700 hours
- Colusa County EOC is activated at Level 3 (Lowest)
 - A Shift: 0800 – 1700 hours
- Glenn County EOC is activated at Level 1 (Lowest)
 - A Shift: 0800 – 1700 hours
- DWR Flood Operations Center (FOC) is activated through the week
 - 0800-1700 hours

Deployments

- 1 Cal OES Inland Region Emergency Services Coordinator (ESC) deployed to IREOC
- 1 Cal OES Inland Region Program Manager I deployed to IREOC
- 1 Cal OES Inland Region AGPA deployed to IREOC

Proclamations

- On 03/07/19 at 0845 hours, a Ratified Proclamation was received from Colusa County requesting CDAA and federal funding and a Presidential Declaration of Emergency due to the winter storms.
- On 03/07/19 at 1452 hours, a Ratified Proclamation was received from Glenn County requesting CDAA and federal funding due to damages from the late February storms.

CALIFORNIA 911 SYSTEM

| CA 911 Outages | | |
|---------------------|--------------------|---------------------|
| Northern California | Central California | Southern California |
| No 911 Outages | No 911 Outages | 911 Outage |

911 Outages/Remote/Community Isolations:

Commercial Power Outage, Idyllwild, Riverside County (INITIAL/UPDATE)

On 03/07/19 at 0630 hours, the CA 911 Branch reported a 911 outage at Hwy. 243 and Rockmere Rd. in Idyllwild, Riverside County. Palm Springs PD is the PSAP covering that area and is aware of the situation.

- 28 Landlines are impacted
- There is no impact to wireless calls.
- The outage is due to a commercial power outage and no access due to snow and ice.
- This is a scheduled Frontier outage with the US Forestry service for this Saturday.
- There is no estimated time of restoral.
- [Updates will be provided as new information is received.](#)

Service Interruptions:

- None reported

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Showers decreasing today with more coverage over the higher terrain. Snow levels 3,000 feet in Northwestern California and 4,000-5,000 feet in the Tahoe area.
- Another system brushing the coast on Saturday will produce more rain and mountain snow, mainly west of the Cascade-Sierra crest. Snow levels near 3,000 feet. SE-SW gusts 25-35 mph.
- A few lingering showers Sunday, followed by dry and warmer weather Monday.
- Another cold wet weather system is forecast to move through Monday night and Tuesday with snow levels dropping to 2,000-4,000 feet.

SOUTHERN CALIFORNIA

- Light showers are possible this morning, along with lower elevation snow.
- The rest of today will be dry, and another chance for rain is possible Saturday night into Monday morning.
- Active weather will continue on and off through Wednesday with periods of scattered showers and mountain snow. Temperatures will remain well below normal.

WEATHER KEY POINTS

03/08/19 - 03/14/19

Friday

- Minor river flooding will continue across portions of northern CA
- Lighter valley rain will continue across portions of the state with no significant impacts
- Snow will continue over the mountains across the entire state creating travel impacts. Heaviest snow will be over the Sierra with up to 12 inches possible.
- Gusty winds over portions of the southern CA mountains and desert areas will impact travel. Southwest to west winds 25 to 35 mph with gusts to 55 mph with isolated gusts to 65 mph.

Saturday-Sunday

- Another round of valley rain and mountain snow starting Saturday afternoon across much of the state
- Travel will be impacted over the mountains due to snow
- No significant rainfall impacts expected

Monday

- Much of the state, except for the southern portions, will be in between storms and will see generally dry conditions

Tuesday-Wednesday

- Another round of valley rain and mountain snow across much of the state
- Travel will be impacted over the mountains due to snow
- No significant rainfall impacts expected at this time

Thursday

- Dry conditions across the state with warming temperatures

OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-58514, 03/05/19, 1604 hours:** Mono County Sheriff's Office requested assistance with a Search and Rescue (SAR). A 24 year old active duty Marine left on 02/25/19, alone, from Onion Valley in Inyo County to cross country ski the High Sierra Route which is 195 miles long and runs through several counties. His friend was to pick him up 03/04/19 or 03/05/19 near Bridgeport. He did not show up and has had no contact with anyone. The Air Force Rescue Coordination Center (AFRCC) was not able to run cellular phone forensics as his phone has been turned off since 02/25/19. Aerial searches will begin once the winter storm breaks. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-CREOC-58434:** Request for two DTSC Hazmat Teams to remove Household Hazardous Waste (HHW) from right of way and private property ([On Scene](#))
